

FOR YOUR NEXT CELEBRATION

We would be honored to help you throw a very special private party using our charming farm as your perfect venue. Our bucolic urban location is especially convenient for your guests, just south of Loop 610 in the heart of Houston.

We offer several turn-key event packages produced by our professional staff that are designed to honor social distancing guidelines for 2-12 guests, including Intimate Weddings, children's birthday parties, and farm walks, gardening and cooking classes for all ages.

Donors and members of our S.P.I.C.E. Guild may reserve our Chefs' Kitchen Garden, Children's Garden, Movement Lawn, Picnic Grove and Gathering Barn for private events up to 250 people (subject to county/city health guidelines.) In this case we do not provide event planning or execution support.

Check List

- Confirm desired space availability on preferred date and time with Hope Farms
- Contact official caterer, florist and valet to confirm date on their calendars
- Execute Hope Farms event contract with deposit to confirm booking
